EXAMPLE OF ORDER OF ACTIVATION: At the start of the first turn of Bagradas Plains, all leaders are available for activation. After the two Praefects Sociorum have been activated and have finished giving orders, the Tribunes/Praefects Equitum will be activated next, followed by Bostar and Hamilcar. When it comes to who is next, both Regulus and Hasdrubal have 5 Initiative Ratings, so there would be a die roll to see who goes next.
