DESIGN NOTE: This (and its sister rule, 10.15) was a point which both designers discussed for some time: the victorious unit that is about at the end of its line. After much debate, we decided that the immediate intangibles of victory would be enough to keep the unit from disintegrating. However, it would not save it from a subsequent Collapse Check in an enemy ZOC, where the euphoria of the moment would have worn off. Very subtle stuff here, indeed.
